

MSC Parents Association Meeting

Date: March 9, 2021 7:00-8:00 pm

Location: zoom

PA Meeting: #6

Agenda:

- **Principle Report**
- **School Closure**
- **Upcoming events**
- **Budget**
- **RTS after school programs**

School Closure:

The department of education and health are the one that decide on school closure
We can safely bring children in 5 days a week as long as we can maintain distancing and find the staff.

-We will continue to have these conversations about possible 5 days a week, but now with school closed for 10 days, its delayed

For anyone needing meals during closures, PS 75 (735 West End, NY, NY 10025) is a distribution site. Check schools.nyc.gov for more info.
MSC is still distributing food also during school closure

Reading Buddies:

Question about possibly continuing with reading buddies.

Teachers are feeling very stressed already that if we did that then we'd need to have parents volunteer to help with something like that

Trinity partnership is what some people have used

Community Building:

Things we do that bring community together help

It's not about shaming anyone, its about following protocol and coming together as a community supporting (not shunning) folks that get the virus makes a huge difference.

If anyone needs material for education at home, please feel free to reach out to the PA presidency (copres@friendsofmsc.org) and we can help provide you with what you need. That's what we are using our funds for this year.
