

We are pleased to announce that Bernard Winter, who retired in 2020 after 18 years as our art teacher, will be forming a new after school program this year! Bernard misses creating art with kids he looks forward to beginning this new chapter at MSC. Here's what you need to know:

This program, which will be known as 'Art with Bernard After-School' will take place on Tuesdays, Wednesdays and Thursdays, from 2:50 to 4:30 in room 603. Classes begin the week of September 27th.

Tuesdays are for 8th graders to help with their portfolio preparation for application to the specialized art high schools in NYC.

Wednesdays are for children in grades 2 through 4.

Thursdays are for children in grades 5 through 8.

The goal of the program on Wednesdays and Thursdays is to create murals within the school. We will work on individual projects as well.

There will be five sessions throughout the school year, each session will have between 6 to 10 classes. A Saturday family art day for mural making together is included in each session.

Registration is capped at 12 children per class.

Cost for the session is \$15 dollars a class, plus a materials fee, and is payable to the Friends of the Manhattan School for Children.
