

MSC Afterschool Creative Stage Performing Arts Program

Now in our 8th year at MSC, [Creative Stage](#) offers innovative performing arts programming, designed to ignite each child's imagination!

In our classes, kids work together to create original works of theater, music, and dance--all led by industry professionals. This Fall our classes include: [Dancing Designers](#) (dance and costume design), [Musical Theater Builders](#) (musical sketch comedy) and [Comedy Improv](#)--will be full of learning *and fun*! At Creative Stage we are eager to help bring out the creative in your kid!
